EXCITING TIME AT FOREST HILL

Detective, Alleging Attempt at Extortion, Shoots James Baughan.

ONE MAN WAS IN PETTICOATS

He and Detective Were "Spoon-feeding" When Three Spectators Were Arrested.

Exciting events followed each other thick and fast at Forest Hill Sunday night. James Baughan was shot in the calf of his right leg by N. V. Kolner. Kolner was with J. W. House, who was dressed as a young woman. They were near the "Seven Springs" and in the midst of apparent love-making, when Edward Woods, James Baughan and John Baughan, the latter two brothers, approached and sought to interfere. Woods, who is foreman of the brass foundry of the Southern shops in Manchester, and James Baughan are under arrest, charged with "threatening to accuse House and Kolner with committing a crime by advancing upon said Kolner and House and violently taking hold of them and feloniously attempting to extort money from them." The cases will be heard before Squire L. W. Cheatham Friday morning. John Baughan has not been arrested, because officers have been unable to locate him.

The shooting and arrests occurred at Forest Hill Park Sunday night, about 9:30 o'clock. John Baughan was not arrested yesterday afternoon, the authorities being unable to locate him, though it was said by his employers that he was at work.

House, who, so Kolner stated, was employed by him to assist in the capture of alleged big game, was taken to Forest Hill Park, was dressed in the garb of a woman, and, with Kolner, went to a spot near where the three men were arrested were sitting. Shortly after the two had seated themselves and had begun to whisper "spoon-feeding" according to a man who did the shooting, Woods and the two Baughans "advanced upon them and ordered them to consider themselves under arrest."

Kolner Makes Statement.

"I had been 'laying' for them for some time, and got House to work with me," said Mr. Kolner to a reporter for The Times-Dispatch, shortly after the shooting occurred. "These three men, James Baughan and John Baughan, and I were going to take me and House, whom they thought was a young lady, to the car line and arrest them. I drew my revolver and ordered them to throw up their hands. House pushed me, and they ran down and the other two started to run. This man (pointing to James Baughan, who had been shot in the leg) was about twenty steps from me when I fired. I pulled the trigger twice, and the second time the ball struck him in the leg. I then made the boys come to the car line and Mr. Overton and Mr. Flynn can tell you the rest. I did not fire until I had told the man to stop, after he had attempted to blackmail me and to get away after he discovered that a trap had been laid for him."

Innocent of Charge.

James Baughan, who was shot in the leg, said: "I am as innocent of any charge with which I am charged as you are with the charge with which you are charged. I was sitting on a bench in the park near the springs when this couple came up. They sat down and acted improperly. All three of us started towards them, and they jumped up. John said he was going after Flynn to tell him about the matter, and about a minute after he left this fellow (pointing to Mr. Kolner) stuck a gun in my face and told me to hold up my hands. I knocked the barrel down and ran right around him. I had gotten to a bench and sat me in the leg. Behind this, when he shot me in the leg, I don't think Woods moved from where he was, but threw up his hands at once. I shall get out a warrant, charging this man (the detective) with shooting me without any cause."

From Eddie Woods.

Edward Woods, who lives at No. 231 South Second Street, Richmond, yesterday afternoon, said: "I am a married man and have two children, and every one who knows me knows that this charge is absolutely false. When the 'couple' came near us we jumped up and yelled at them. The next thing that happened was very well what that pistol was in my face and I was ordered to hold up my hands. I did so without any trouble. John Baughan had gone for an officer at the time. They never did arrest him, and he came back and asked the man who shot him if he was hurt. 'Squire Cheatham last night and Mr. Guy Cook went on my bond for \$100 until Friday, when I am to appear in court. I shall consult a lawyer to find out what to do in the matter. At first, I understand, I was charged with highway robbery, and again I heard that they wanted me for blackmail and another story was that it was for impersonating an officer that I was to be charged. There has been a great mistake made by irresponsible persons as to my opinion of the whole matter."

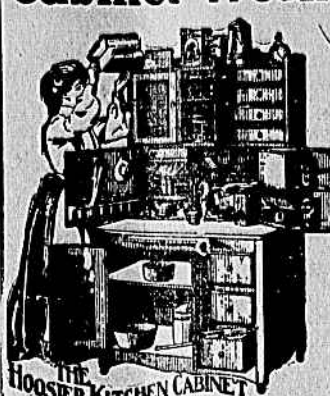

How It Happened.

Shortly after 9 o'clock Sunday night the crowd at Forest Hill Park heard the report of two shots in rapid succession. The sound came from the hill overlooking the "seven springs." Five minutes later Kolner and his assistant, House, came up to the car line with James Baughan and Edward Woods. Officers Flynn and Overton were on the scene and took charge of the men. House was at the time dressed in the garb of a woman. He wore a black skirt, white shirt waist and over his black Fedora, but wore a brown velvet jacket. He presented the appearance of a young girl. "Distance lent enchantment to the view." A crowd congregated and the two men who had worked up the case with their prisoners stood near. Passengers on the car line looked on with interest and the crowd grew larger every minute. Meanwhile House was speaking to acquaintances of how he captured the men, and at one time exhibited a revolver. Officer Overton and Mr. Kolner carried the two men down to the Manchester police station. House remained at the park with Officer Flynn that he might change his appearance.

Wounds Not Serious.

At the police station in the city Dr. E. T. Rucker was called and probed for the ball in Baughan's leg. It had entered the calf of the leg from the rear and lodged either in the large muscle or against the bone. Dr. Rucker decided not to attempt to remove it unless there was clothing carried in with it or it worked against the bone, and would in this way cause inflammation. After the wound was temporarily dressed Baughan was taken to his home at Sev-

teenth and Decatur Streets, where his wife and three children reside. Yesterday afternoon after 2 o'clock, Officer Moore, with Special Officer Watts, went to his home and served the warrant on him, charging him with attempting to commit a crime.

Woods was taken before Squire Cheatham Sunday night about 11 o'clock and gave bail in the sum of \$100. Kolner did not appear before the magistrate yesterday and last night, but it was sworn out by Officer Overton.

Not Employed by Company.
Mr. E. H. Wells, attorney for the Passenger and Power Company, said yesterday afternoon that he had no knowledge of the alleged blackmailing scheme. He said that the company wishes to put a stop to the alleged blackmailing that is alleged to have been going on in the city, and that he had no knowledge of the alleged blackmailing scheme. He said that the company wishes to put a stop to the alleged blackmailing that is alleged to have been going on in the city, and that he had no knowledge of the alleged blackmailing scheme.

Reported for Years.
Blackmailing has been reported at Forest Hill Park for years. A regular gang of men have been said to loaf around the resort and extort money from gamblers who accompanied ladies there. The police authorities have repeatedly received reports of such outrages. About two days ago, personally I could not have been so sure that the alleged blackmailing scheme. This, it is said, was also practiced upon Kolner, the detective, some days ago. He was then in company with a young lady—a real young lady.

It was stated last night that Kolner was not a detective, except possibly as an amateur. He is but seventeen years of age.

PARK CROWDED.

Mysteries of the "Hereafter" Delighting and Puzzling People.

Sunday afternoon and evening saw the largest throngs in West End Electric Park that the popular resort has ever seen, and the splendid order maintained by the management has more than restored this pleasant open-air resort to popular favor. Jardella's band concert Sunday afternoon and evening delighted thousands of listeners, and the sought relief from the warm day by a dip in the Natatorium. Still others wandered around the Midway and the Boardwalk, noted the progress being made in building more and novel amusement attraction to be opened as soon as completed.

The mystery of the "Hereafter" continues to astonish thousands of persons who wonder how it happened. All who visit this cave of mystery in the fanciful version of Dante's Inferno, must marvel at the beautiful cave effects and feel awe-inspired at the many strange and weird things that are being done.

The band concert will continue to be heard every afternoon and evening.

MRS. MOORE'S WILL.

Richmond Lady Leaves Estate to Charities and Relatives.
The will of the late Mrs. Allison Moore was admitted to probate in the Chancery Court yesterday. The testatrix made a number of special legacies, among them being \$5,000 to the Memorial Hospital; \$5,000 to the Methodist Episcopal Church; \$5,000 to the Richmond Male Orphan Society; \$2,000 to the Woman's Exchange; \$1,000 to the Richmond Home for Ladies on Seventh Street, and about \$50,000 in various legacies to friends and relatives.
The remainder of the estate is left to Mrs. Moore's husband, Mr. Thomas L. Moore, who is named as sole executor. A codicil revokes the legacy to the Memorial Hospital, but Mr. Moore says this was evidently made through a misapprehension, and that he proposes to pay it. The band concert will continue to be heard every afternoon and evening.

HOLD SERVICES IN THE THEATRE

Casino Rented for Evangelical Meetings Every Sunday Afternoon.

DR. YOUNG IN LYNCHBURG

Called Upon to Take Place of Chicago University Professor.

The meeting of the Baptist Ministers' Conference was not as largely attended yesterday morning as usual, several of the pastors being out of the city, some of them to preach baccalaureate sermons and to deliver literary addresses before graduating classes.

The conference received notice from the Baptist Council that arrangements had been perfected to have evangelistic meetings at the Reservoir Park every Sunday during the summer, beginning on the third Sunday of this month. The Casino building has been rented and all the necessary arrangements will be completed in ample time. The conference unanimously endorsed the movement, and promised support and assistance.

Dr. B. C. Henning, of Bristol, the secretary of the Baptist Education Commission, and Rev. W. T. Dudley, of North Carolina, were visitors and made talks before the conference.

Methodist Pastors' Meeting.

There was a full attendance of the Methodist pastors at their weekly meeting yesterday morning. Dr. J. T. Whitty, the presiding elder of the Rappahannock District, was a visitor, and gave an encouraging account of the progress of the work in this district. Dr. Wilson, of the West Richmond District, also told of good work in his territory. Dr. Tudor told of the meeting of the Richmond District conference, just held at West Point.

The pastors all reported good attendance at last Sunday's services. Ten percent were served into the churches Sunday on profession of faith and thirteen by certificate.

Second Baptist Church.

The congregation of the Second Baptist Church will soon be worshipping in the lecture room of their new church building on Franklin Street. The pastor, Rev. Dr. W. R. L. Smith, will leave the city about the first of July, and during this month will fill the pulpit of the First Baptist Church, of Atlanta, taking the place of Rev. Dr. W. W. Landrum, who will spend the month in attendance upon the sessions of the Baptist Congress in London. Rev. Calder Williamson will fill the Second Church pulpit during the month of July.

Illness of Mr. Derieux.

Rev. Dr. W. R. Derieux, the pastor of the Yonkers Street Baptist Church, left the city yesterday afternoon for De Land, Florida, where he was called by the critical illness of his father, Mr. A. J. Derieux.

Dr. Young in Lynchburg.

Rev. Dr. W. J. Young, of the Centenary Methodist Church, left yesterday for Lynchburg, where he will deliver the literary address at the commencement exercises of the Woman's College of the Randolph-Macon system. The address was to have been delivered by Rev. Dr. Butler, of the University of Chicago, but he found it impossible to reach the city in time. Dr. Young was therefore telegraphed for.

ELECTION OFFICERS.

Electoral Board Has Trouble Getting Men to Serve.

The City Electoral Board, composed of Messrs. W. J. Hancock (chairman), Saml. C. Ebel, and J. C. Ebel, have completed the election of judges and clerks for the city, and many of them qualified before the clerk of the Hastings Court yesterday.

The list, however, is withheld for the reason that a "bad lot" of those selected are declining to serve, for one reason or another, and another meeting will be held shortly to fill the vacancies caused by these declinations.

The board is pursuing its well established policy of selecting the very best possible candidates, and for this reason there are many declinations.

Until after to-day, which is the limit set for qualifying, the board will be unable to tell exactly who have declined to serve.

Accordingly, the meeting to fill vacancies will not be held before Thursday or Friday.

The City Committee will then select the primary judges from the list made up by the Electoral Board.

Stricken With Appendicitis.
Master Winston Bolling, the little son of Mr. and Mrs. Ernest L. Bolling, of No. 1017 Floyd Avenue, was taken suddenly ill Sunday and had to be taken in the night to the Virginia Hospital, where he was at once operated on for appendicitis. The little boy is a member of the Y. M. C. A. Bible class, and of the Covenanters' Society of the Second Presbyterian Church. He was out at the Union Theological Society Sunday afternoon and came home in high spirits from the reception given the boys by Miss Katherine Hawes. His many friends will be surprised to hear of his illness.

OUTING CONTEST ON IN A WHIRL

Many Anxious to Get in Votes for Tee-Dee Trips.

THE PLAN TO BE FOLLOWED

Instructions Given Here to Be Followed By Contestants.

The third annual Times-Dispatch Summer Outing Contest has started off with a rush. Already there are a number of entries, and a perfect shower of ballots will fall from now until 8 P. M. Saturday, July 22d, when the contest closes and the lucky fourteen parties pass under the wire. All Richmond will soon be interested in this contest, and will pick their favorite whom to bestow votes. Not only Richmond, but from every point in Virginia the votes will come. The voting certificate plan adopted this season gives every party an equal chance, whether located in Richmond or out of Richmond.

Forty-five ladies will be the recipients of the advantages that go with one of the outings. Each lady will receive transportation to and from the Tee-Dee resort of their choice, and will enjoy a week's stay. The Richmond Transfer Company will transfer the baggage of each party from their residences to the train or boat and back to their residences upon their return. The Virginia State Insurance Company will issue a \$500 fire insurance policy, and transfer and accident insurance policy to each successful lady.

Special attention is directed to the change of plan in regard to voting certificates; also to the splendid consolation prize trip. This trip will allow a stay of two weeks at the New Grand Hotel in New York City, and will go to one of the parties failing to get one of the fourteen first prizes, yet has not less than three thousand votes to their credit.

Voting Certificates.

Besides the coupons which will appear in each issue of The Times-Dispatch from now until July 22d, each one of whom is good for one vote, the Times-Dispatch will issue from the main office, No. 915 East Main Street, certificates of votes in various denominations, which will be counted as coupons based on the following plan: For all money paid in for renewal subscriptions to the Times-Dispatch, either in advance or out of the city, a certificate will be issued for as many votes as there are cents in the price of the subscription. For instance, twelve cents for one week's subscription in Richmond or Manchester and Petersburg would give a certificate for twelve votes, which would be equivalent to twelve coupons cut from the paper. Fifty cents for one month's subscription would give fifty votes, and \$6 for one year in Richmond, Petersburg or Manchester would give six hundred votes, while \$5 for one year subscription out of town would give five hundred votes.

NEW SUBSCRIBERS.

For all money paid in for new subscriptions, TWO VOTES will be counted for each one cent of the amount paid. Those who receive certificates by sending in subscriptions, either in advance or out of the city, to which they are entitled by the certificate, but will have the privilege of cutting the coupons from the papers for which the certificates were issued, thereby gaining an additional number of votes.

It is readily seen that the quickest and surest method of obtaining votes is to secure at once NEW SUBSCRIBERS.

A subscription received for any person who is already on our mailing list or is being served regularly by carrier, is a RENEWAL, and is entitled to only ONE VOTE. Each one cent paid on an extension or renewal of the present subscription.

A NEW subscription is any subscription received for a person whose name is not on the mailing list or on the carrier's service books at the time a subscription is received, and a NEW subscription is entitled to TWO VOTES for each one cent paid for the subscription.

The Voting Coupon.

Each issue of The Times-Dispatch until the close of the contest will contain the voting coupon. These coupons bear a date which is just one week ahead of the date of the paper in which they appear. The coupon is only good when deposited on or before the date printed on them.

Send Your Address.

Every lady who enters the competition will be required to send her residence address at once, and, if employed, to give phone number or address of the firm with which she is employed. Address your letter to Manager Outing Tours Contest, P. O. Box 722, Richmond, Va.

COMMITTEE MEETINGS.

Move to Have Police Enforce Street Sprinkling Ordinance.

The Water Committee last night considered and tabled the ordinance offered by Mr. Umata, giving water to the street car companies for the purpose of sprinkling the streets. It came out in the discussion that the present ordinance requiring the companies to sprinkle streets along their lines is not being lived up to. It was decided that this measure is ample, if enforced, and the clerk was directed to call upon

the chief of police to see that the ordinance is enforced.
The Ordinance regulating the speed of automobiles was to have been considered by the Ordinance Committee, but the sub-committee having it in charge was not ready to report, and it went over.

The Baptist Education Commission, of which Rev. Dr. R. H. Pitt is chairman, will hold an important meeting in the lecture room of the Second Baptist Church, beginning at 11 o'clock this morning. The secretary, Rev. Dr. Henning, will submit his report, which will be discussed and acted upon, and other business of importance will be transacted. The commission is working under appointment of the Baptist General Association of Virginia.
